Game elements in non- formal education

Riga, Latvia

30th April - 6th May

SUMMARY OF THE PROJECT

Gamification in non - formal education is a training course with main aim being creation of more innovative ideas within youth work on the gamification methodology in youth work.

Specific objectives:

- To create a space for a discussion on the learning methodology of non-formal education in relation to game-based learning
- To break down stereotypes about gamification by discussing the effects of it on youth and how youth workers can utilize gamification
- To create a tool-kit for youth workers based on good practices shared, results and tools on game-based learning to be used to promote ICL and fight radicalization

Activities

The training will be based on the principles of non – formal education (group as a source of mutual learning, trainer as facilitator of learning process, holistic approach, etc.) and experimental learning approach led by an nonformal education trainer from Italy – a youth worker, project writer, facilitator, project coordinator and trainer with more than 20 years of experience.

How to reach it?

After exiting the airport cross the parking lot and head to the bus stop, take the bus no. 22 (you can buy the ticket in the ticket machine at the bus stop). You should exit in the bus stop called "Autoosta"(central bus station) and then walk around 20 min to the hotel.

Alternative is

to go till the stop "Dreiliņu iela" by bus no 22, then change for the bus no. 53 and go till the stop called "Esplanāde" and walk around 7 min till the hotel.

In case you arrive very late and the buses are no longer going, you can take taxi, but we would suggest to download application called "BOLT" – there you will pay less and you can register and pay by card and receive the invoice directly to your email.

COVID measures

Current measures allow entry in the country for people with vaccination certificate and COVIDPASS QR code that you can fill here - [Covid19.gov.lv/en!](https://Covid19.gov.lv/en)

Vaccinated people do not need to self isolate or have a test upon arrival

Currently the government are in process of discussions about what restrictions leave and what cancel, therefore we will update you about the situation when the activity dates will come closer

PREPARATION

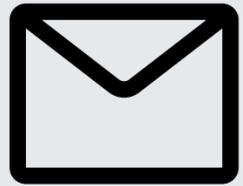

- Health insurance (or E111 card)
- Don't forget to bring any medicine you might need
- You can bring the necessary things for presenting your country in intercultural evening- national food, drinks, costumes, flag of your country etc.
- You could bring with you the brochures or other promotional materials of your NGO to share with others for future cooperation

About RIGA

Riga is the capital of Latvia and is home to 614,618 inhabitants, which is a third of Latvia's population. Being significantly larger than other cities of Latvia, Riga is the country's primate city. It is also the largest city in the three Baltic states. The city lies on the Gulf of Riga at the mouth of the Daugava river where it meets the Baltic Sea. Riga was founded in 1201 and is a former Hanseatic League member. Riga's historical centre is a UNESCO World Heritage Site, noted for its Art Nouveau/Jugendstil architecture and 19th century wooden architecture.
